107.105(b) Confidential Treatment. Confidential treatment of the information contained in this document is requested.

**Description of exemption proposal.**

107.105(c)(1) Specific regulation of relief.

Space Systems/Loral requests a DOT Exemption to transport satellites (also called spacecraft) manufactured at the Palo Alto, California manufacturing facility. The standard spacecraft bus model, 1300 class, may include one of the two types of Xenon Pressurant Tank designs described in this document.
